Social Events

Welcome Reception

Friday, September 14, 2012, 6:00-9:00 pm

Fully stocked cash bar open at 6:00 pm inside the Exhibit Area with complimentary hot and cold hors d'oeuvres at 7:00 pm. Exhibits will be open.

Wine & Cheese Reception -

Saturday, September 15, 2012, 6:00 – 7:00 pm.

All meeting attendees and their guests are invited to a one-hour reception located in the Cloister Garden. Each guest will receive two complimentary drink tickets. Additional drink tickets will be available for purchase at the bar.

This educational activity has been submitted to the Society of Gastroenterology Nurses and Associates, Inc. for approval. The Society of Gastroenterology Nurses and Associates, Inc. is accredited as an approver of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

Target Audience – Physicians, Nurses, Technologists, Nurse Practitioners, Physician Assistants

Objectives

1. Describe the utility of esophageal motility and Ph monitoring.
2. Discuss advances in the treatment for Hepatitis C and therapeutic advances in liver disease.
3. State indications for esophageal, biliary, duodenal and colon metal stents.
4. Outline effective colon preps and strategies for increasing screening for colon cancer.
5. Demonstrate safety in the endoscopy suite.
6. Discuss the treatment of pancreatic cysts and chronic pancreatitis.
7. Recognize the indications and uses of capsule and deep small bowel enteroscopy.
8. Relate the extraesophageal manifestations of GERD.
9. Explain the challenges of ERCP in patients with surgically altered GI anatomy.
10. List risk factors, signs and treatment of familial polyposis syndrome.
11. Describe management of fistulizing and perianal Crohn's Disease.

Optional Courses

Special "Hands-On" Endoscopy Laboratories
 Saturday, September 15, 2012, 2:00 – 5:00 pm
 Boca Raton Resort & Spa, Addison Ballroom

The Florida Gastroenterologic Society is very pleased to offer this valuable demonstration lab to a limited number of GI nurses attending this year's Annual Joint Meeting of the FGS and FLSGNA.

The registration fee has been waived and will be limited to the first 50 registrants. There will be two groups of 25 registrants. The first group will be scheduled to participate from 2:00 to 3:30 pm; the second group will participate from 3:30 to 5:00 pm.

Thanks to the efforts of Dr. Jason Klapman, Endoscopy Lab Director, we will have stations demonstrating the latest procedures, technology and modalities. Procedure skills:

RFA for Barrett's, Duette EMR, Double Balloon Endoscopy, Clips, SpyGlass, WallFlex, Polar Wand, Cryo Therapy, APC, Difficult Polypectomy, ERCP V-system, Single Balloon Enteroscopy

Space is limited. Enroll now to learn the latest technology in your field.

Please complete the registration form as soon as possible and mail or fax to:

FGS, PO Box 540363, Opa-Locka, FL 33054
 305-687-1367 phone | 305-687-2490 fax
